

September 2020

WELCOME TO YOSEMITE DANCE COMPANY! Our mission is to provide a positive, nurturing, and professional environment and to cultivate each dancer's passion for movement. Students will learn innovative dance skills, in an age appropriate setting, while being encouraged to explore the latest styles and trends in dance. Our goal is to provide students with solid technical training in the classical foundations of dance while encouraging them to explore their individual artistry through self-expression. We strive to help our dancers build life-long values through the joy of dance.

YDC Registration is a simple **2-Step** process.

Step One: In this packet, this COVER LETTER, SCHEDULE OF CLASSES, STUDIO POLICIES, and DRESS CODE are yours to read and keep. You may need to refer to them if you have future questions about studio policies. The studio copy of STUDIO POLICES, RELEASE AND WAIVER OF LIABILITY, EMERGENCY CARD, and REGISTRATION FORM must be completed, signed, and returned to the front desk at the studio.

Step Two: Pay your annual registration fee, and class tuition for the current month. The \$65 annual registration fee covers all the dancers in your family from the date of registration through the end of the 2021 session/recital. The front desk will pro-rate tuition cost for your first month if your first class occurs after the first class of the month resulting in fewer than 4 classes during that first month. Payments may be made by cash or check, in person or by mail, or by autopay through ACH bank transfer. We are not able to process credit/debit cards. **Enrollment is not complete and class selections are not secure until all paperwork is submitted and your payment has been received.** Class sizes are limited.

If your dancer has specific dance goals or any special needs, please make an appointment to meet with me so that we can work together to address those goals and/or needs.

Please let me know if your dancer is interested in competing on Yosemite Dance Company's Elite Dance Team, as certain classes may be recommended for future placement. YDC's Elite Competition Team is comprised of dancers ages 6-18.

We encourage you to invite any family or friends, children and adults who might like to dance, to join us.

Anyone can sample a class at the drop in rate of \$20.00 per class. This is a no-obligation means of trying a class. Just give us a call ahead of time so we will know to expect you.

And finally, thank you for entrusting your dancer to Yosemite Dance Company. Our program is growing by leaps and bounds, and we are pleased to offer classes to boys and girls of all ages. I am so proud of our Yosemite Dance Company dancers, Elite Team, and my wonderful staff. I look forward to continuing to provide technically correct, age appropriate, dance education filled with love and laughter for many years to come!
